COLLEGE MAJOR AND CAREER GOALS

I am currently taking classes at SIUC in both the CS and ME fields. I am focusing on classes and degrees which will enable me to receive a job in the robotics industry, focusing on advanced AI robots.

EDUCATION

- **Lakeside High School**
Homeschooled student, **GPA** – 4.0, Graduation date: May 2018
- **John A. Logan College**
Dual Enrolled student, **GPA** – 3.9, Graduation date: May 2018

HONORS AND AWARDS

- **JALC**
Academic Presidents List award (4.0 GPA), 2015-present
Excellence in Chemistry award, 2016-2017
- **4-H**
Project Mastery award, 2016-2017
President, Vice President and Chairman of various other committees, 2008-present

EXTRACURRICULAR ACTIVITIES

- **SIUC**
Robotics Club, Spring 2018-present
Rover Team, 2019 *NASA Robotics Mining Competition*, Spring 2018 – present
ACM, Fall 2018
Student Leadership Honor Society, Fall 2018
Volunteer research with Dr. Kim, SIUC ME department, Fall 2018
Worker at the Engineering Computer Support Center, May 2018-present
- **JALC**
Community Band, 2014-2018
- **Scottsboro Baptist Church**
Sound Technician, 2013-present
- **4-H**
Annual Community Service Projects, 2008-present
State Fair Advanced Computer Science Delegate, 2016-2018

COMPUTER, CHEMISTRY, AND ENGINEERING MACHINE SHOP SKILLS

- Two years of experience with the Java coding language
- Experience with HTML coding language.
- Experience with the Autodesk environment
- Raspberry Pi mini computer
- Certification to work in Chemistry labs, JALC
- Certification to work in engineering machine shops, SIUC
- Certification to work in E11 lab, SIUC
